Chapter 1 by Noor :*

Chapter 1

I was looking on Millberry street expecting to see Kiyomi. I saw no sign of Kiyomi but I knew she might have been with her boyfriend, Jose. I blocked Jose on every social media website I had so I couldn't contact him asking if he had Kiyomi. I texted her asking where she was, but no reply. It said she read the message, so i freaked out. I was about to unblock Jose but i realized how much of an idiot he was so I didn't. Maybe Kiyomi just didn't come to my house cause she was busy. But, that doesn't explain why she didn't text me back after reading the message. The only thing I saw was two shady men that had a big white van. I didn't want to jump to conclusions that she got kidnapped. I mean those two guys are probably just shady because they're drug dealing. Why would I care?
